

SAVIORUR Universal Face Shield

General Description:

Many a times protection is required not only for the Head but also entire face. This is required mostly in Mechanical workshops besides protection requirement against Chemical Splash both Indoors and in the Field.

'Saviour' Face Shields with Clear Visor ensures perfect protection in such cases.

MODEL NO: FPSAV-FSP

Specifications

'Saviour' Universal Face Shield with Clear Visor comprises of Visor made up of acrylic Plastic with 100 % optical clarity attached to a Spring type Bracket. Face Shield Visor is of high impact resistance and is 1mm thick. Visor comes in size of 8" x 15" which gives maximum safety. This arrangement can fit on any helmet.

Applications

- ◆ Mechanical Engineering Workshops incorporating Grinding / Chipping / Polishing operations.
- ◆ Industries utilizing Shot Blasting, Saw Dust / Sand and Limestone crushing.
- ◆ Chemical / Pharmaceutical Industries handling volatile fluids.
- ◆ Refineries / Fertilizers handling Hot Oil and Volatile Crude.
- ◆ Wood and Paint Industry.

Advantage

- ◆ Biggest advantage is use along with Helmet so it gives both Head and Face Protection against Chemical splash, Flying Objects, grinding Chips etc.
- ◆ Light weight-1 mm thickness of visor gives high impact resistance.
- ◆ Optical clear visor gives perfect vision.
- ◆ Easily attached to any Helmet.

Certification

- ◆ As per EN-166

En exécution de la Directive 89/686/CEE du 21 décembre 1989 modifiée, concernant le rapprochement des législations des états membres relatives aux équipements de protection individuelle et des décrets n° 92-765, 92-766 et 92-768 du 29 juillet 1992 portant transposition de cette directive en droit français, In compliance with Directive 89/686/CE of 21st June 1989, on the rapprochement of the laws of the Member States relating to personal protective equipments and French decrees n° 92-765, 92-766 and 92-768 of 29th July 1992 concerning transposition of this Directive to French law,
